

The Brazos Animal Shelter is looking for a dynamic Executive Director with proven fundraising experience to lead the Shelter into a new era. The successful candidate will be able to provide direction to staff to accomplish mission and goals, build positive relationships with stakeholders, and oversee a complex budget. The Executive Director, who reports to a Board of Directors, has duties related to financial management, fundraising, public relations, and high level decision making.

Applications will be taken until a candidate is hired. To apply, see the complete job description and application. Send the completed application and resume to Darby Roberts at darbymroberts@gmail.com.
